LEVEL 5 REWARD

Choose your level 5 reward

Pick one. The others return in a later pick.

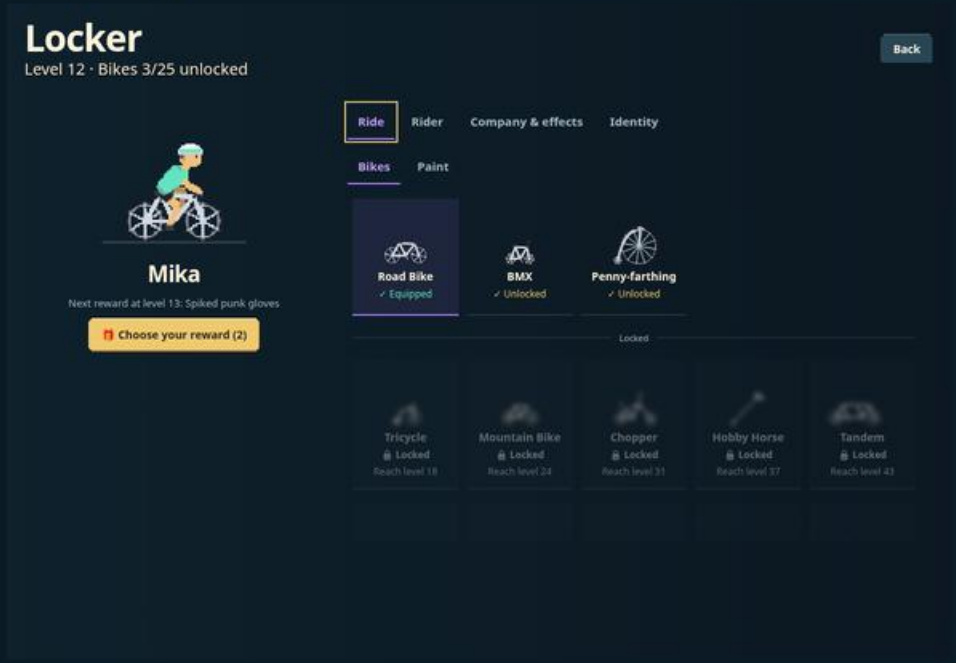

Preview on your rider

Choose & equip | Decide later →

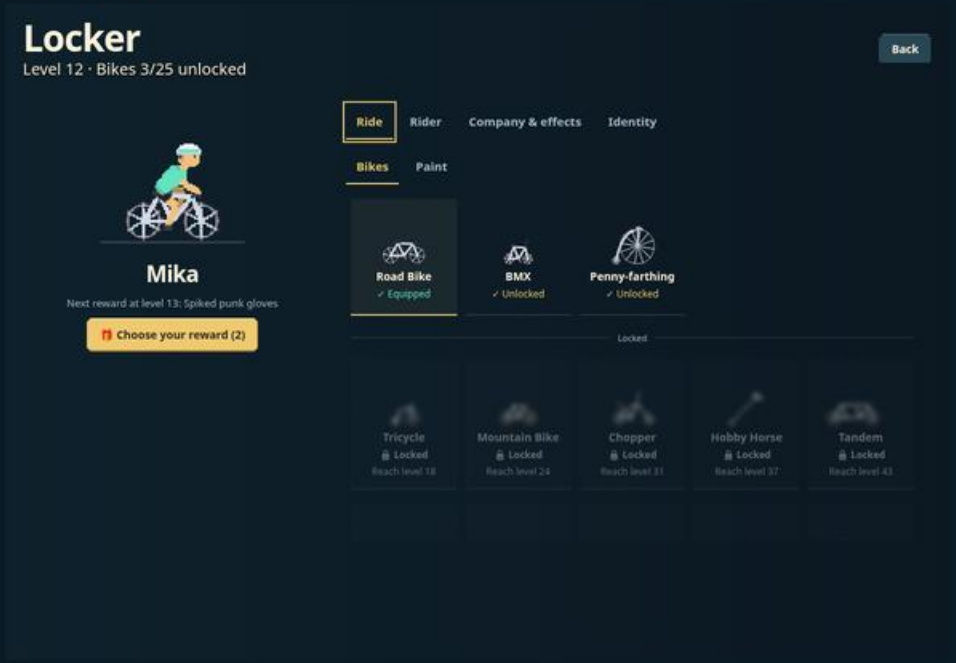

Locker / selection color comparison

Only the selection colors change. Purple remains in the rider backdrop.

Previous approach (recreated)

Revised / gold selection

Wattcade / production components / selection color study

Rewards / selection color comparison

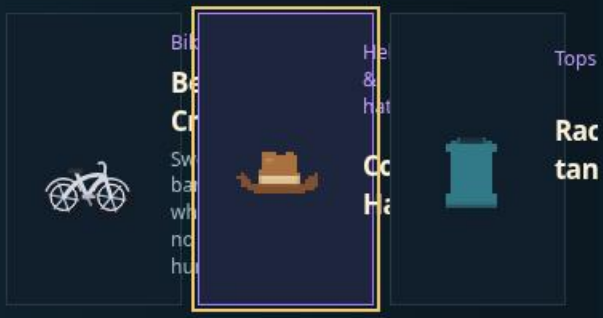

Gold connects the chosen reward to its action. Category labels stay purple.
